Re: Change of Setback - Case No. 1737-SA
Lots 24 and 25, Block C, Valley View
Tract, 345-351 West Elk Street

Dear Mr. Silverstone:

An investigation has been made of your application to the Zoning Administrator for an exception to the setback line established by ordinance to permit the construction of a building 15 ft. from property line.

MODIFIED
I have found that if the request is modified to permit a setback of not less than 16 ft., the granting of the application will not be detrimental or injurious to any adjoining or abutting property and is in compliance with the provisions found in Section 808 of the Zoning Appendix of the Glendale Municipal Code.

Your application, therefore, is approved as modified subject to the following condition:

- (1) That one off-street parking space be provided for each dwelling unit.

Yours very truly,
